**20 YEAR REUNION**

It seemed that 1969 was just yesterday...and that 20 years had really not passed when we all renewed special friendships last August at the Adam's Mark.

Organizing the reunion was so rewarding and fun! All the telephone calls at odd hours throughout the year...even all the panic moments when something went awry; a big thank you to all who helped make this 20 year reunion possible. For those of you who could not be with us on this occasion, we missed you! Please try to be with us at our 25th.

We apologize if we missed someone or overlooked a detail!

We hope this 20 year reunion was a memorable one for you...meanwhile let's keep looking for our missing classmates!
