# SOUTHWEST HIGH SCHOOL

CLASS OF 1969 • JUNE 26, 1999 • ORLANDO GARDENS

On Saturday, June 26, 1999, the Southwest High School Alumni Class of 1969 held their 30-year reunion. How easily we were all able to step back in time to share memories, to get re-acquainted, and to re-new old friendships. What a memorable evening!

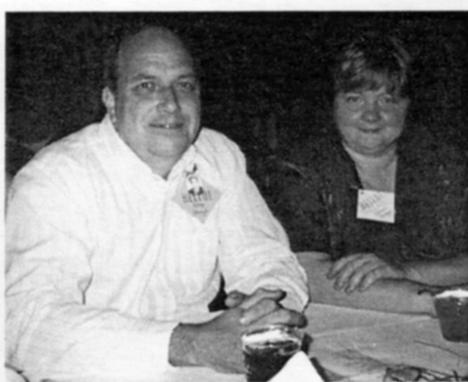

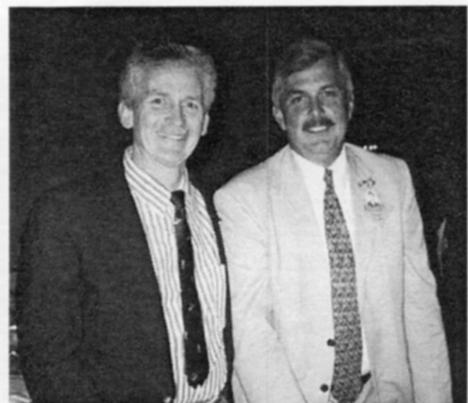

The combination of Orlando Garden's elegance with the magic of Music Man Productions provided a wonderful experience for all. Possibly it was the hula-hoops, electric slide or line dancing with crazy hats, but the party was still in high gear at Orlando's close. Without skipping a beat, the excitement shifted to Babe's (a previous reunion rendezvous...). After closing down Babe's, the crowd finally split up after 2 am. Rumor has it that several partied on to breakfast far into the wee hours...

The Committee would like to thank everyone for his or her support and encouragement. What a privilege to be part of this wonderful Class of 1969!
